30th September 2021

Dear Resident,

### **Community information for proposed Bracklyn wind farm**

Following on from previous mail drops, contact cards, emails, clinics & door to door consultation, the Bracklyn Wind Farm project team is continuing communication on a proposed wind energy development of 9 wind turbines with a typical output of 54 megawatts of renewable energy.

The project is now the subject of a planning application which has been submitted in recent days. It is advertised in the local papers dated Saturday 02 October 2021 and will be live on websites in coming weeks.

We have completed our assessments and submitted our application for planning consent to An Bord Pleanála as a Strategic Infrastructure Development (SID) in accordance with Section 37E of the Planning and Development Act 2000.

Web Copies of this are available to view by the public via:

- SID application website [www.pleanala.ie](http://www.pleanala.ie)
- Bracklyn Website – [www.bracklynwindfarm.ie](http://www.bracklynwindfarm.ie)

Should you have any questions, please do not hesitate to contact our freephone number on 1800 140 976 or email [clo@bracklynwindfarm.ie](mailto:clo@bracklynwindfarm.ie)

Yours faithfully,

A handwritten signature in black ink that reads 'Deirdre Keegan'.

---
